Location

Located mid-way between Atlanta and Charlotte on the I-85 Corridor, Merovan at Donaldson sits at the heart of Greenville County. Adjacent to the South Carolina Technology and Aviation Center (SCTAC), home of Lockheed Martin's world-class F-16 production and its aviation maintenance and assembly center. SCTAC is also one of only three 3M mega sites in the world. Located just minutes away from Michelin's North American headquarters, BMW Manufacturing, The Clemson University International Center for Automotive Research (CU-ICAR), and the Greenville Technical College Center for Manufacturing Innovation.
